SUMMARY

I'm Irfan, a fresh graduate in Industrial Engineering with a strong passion for **analytical thinking** and **strategic decision-making**. I am known for my critical thinking and ability to assess alternatives effectively, enhanced by my proficiency in **Microsoft Excel** for analyzing, and supporting data-driven decisions. Through hands-on experience in manufacturing projects and active involvement in student organizations, I have developed adaptability and the agility to thrive in dynamic environments. I aspire to build a career in the **manufacturing** and logistics industries, where I can help address operational challenges and drive **continuous improvement**.

EDUCATION

Singaperbangsa University

2021 – 2025

Industrial Engineering | GPA: 3.78 out of 4.00

- **Thesis – Industrial Management**

Formulation Of Strategies To Improve The Competitiveness Of Dhea Sembako Stores In The Inkopol Traditional Market Using Swot Analysis, Tows Matrix, And Qspm

- **Relevant Studies**

Procurement management, Decision support systems, Warehouse management systems, Production planning, Manufacturing processes, Work system design, Quality control

Bangkit Academy Led By Google, Tokopedia, Gojek, & Traveloka

08/2023 – 01/2024

Machine Learning | GPA: 88.09 out of 100

- **Project – Recider**

Participated in the Bangkit Academy program with a focus on data processing and **machine learning**, including performing dataset cleaning and preprocessing as well as developing machine learning models.

Senior High School 1 Cibitung

2017 – 2020

Science | GPA: 89.06 out of 100

- **Gold Medal** – Boys Individual Kumite -60 kg (White Belt), "Series II Bogor Karate Festival 2018"
- **Best Participant** – Belt Promotion Exam, Bandung Karate Club (Batch II, 2018)

EXPERIENCE

PT Kawamura Indah

11/2024 – 12/2024

Assistant of ISO Consultant | Internship

- Assisted in the preparation and documentation for **ISO 9001** (Quality Management System) and **ISO 14001** (Environmental Management System) assessments, ensuring compliance with audit standards and supporting process improvements.
- Conducted data collection and verification to identify gaps in current processes compared to ISO requirements.

PT Timuraya Tunggal

01/2024 – 04/2024

Warehouse | Internship

- Conducted periodic stock-taking to ensure **inventory accuracy** and minimize discrepancies.
- Performed reconciliation of stock data with physical inventory to maintain reliable records.
- Compiled and **analyzed shipment** and receiving data to support warehouse performance monitoring and reporting.

Dhea Grocery

01/2021 – 08/2025

Worker

- Assisted customers directly to ensure a friendly and efficient shopping experience.
- Monitored and **controlled stock** levels to maintain product availability and reduce waste.
- **Managed** basic record-keeping of daily sales and inventory movements to support operational planning.
- Supported purchasing decisions by helping **evaluate** suppliers and restocking needs, ensuring consistent supply for high-demand items.

ORGANIZATIONAL EXPERIENCE

Industrial Engineering Student Association

03/2024 – 12/2024

General Treasurer

- Prepared detailed budget plans (RAB) to ensure efficient allocation of organizational funds.
- Created structured financial reports to maintain transparency and **support decision-making**.
- Managed organizational cash flow to ensure timely disbursement of funds for activities and programs.
- **Monitored** and verified all financial transactions to maintain accurate records and prevent discrepancies.
- Coordinated with other departments to align **financial planning** with program needs and priorities.

Industrial Engineering Scientific and Technology

08/2022 – 11/2022

Industrial Engineering Scientific and Technology (IEST)

- Developed the event theme and overall concept to ensure clear objectives and audience engagement.
- Designed detailed technical guidelines, rundowns, and venue layouts to support seamless execution.
- Coordinated event operations on-site, ensuring all activities aligned with the planned rundown and technical requirements.
- Collaborated with other divisions to synchronize schedules, resources, and contingency plans.

CERTIFICATION

Belajar Dasar Git dengan GitHub | Coursera

08/2023 – 08/2026

- Gained foundational knowledge of Git version control and GitHub workflows for collaborative development.

Share Data Through the Art of Visualization | Coursera

09/2023

- Learned techniques for presenting data effectively using clear and impactful visualizations.

Process Data | Coursera

09/2023

- Developed skills to clean, transform, and organize raw data for analysis.

Prepare Data for Exploration | Coursera

09/2023

- Acquired methods to structure and prepare datasets for deeper insights and decision-making.

PUBLICATION

Process Improvement, Industrika

2027

- First author of the article " Analisis Selisih Stock Fisik dengan Stock Sistem NAV Menggunakan Metode DMAIC di Industri Manufaktur Kimia Karawang"

Introduction to Industrial Statistics, Jejak Pustaka

06/2022

- One of the authors of the book "Introduction to Industrial Statistics: Basic Theory of Probability"

SKILLS

Soft Skills: Communication, Problem Solving, Time Management, Team Work, Adaptive

Technical Skills: Inventory Management, DMAIC, Facility Layout

Tools: Ms. Word, Ms. Access, Ms. Excel, Google Spreadsheet, Jupyter, Google Collab, VBA Excel, Ms. PowerPoint, Minitab, Google Spreadsheet
